## **Personnel - Certified**

### **Health Examination**

#### **Chest X-ray or Intradermal Test**

All employees upon initial employment shall present evidence of having submitted to examination (chest x-ray, skin test, or other tests designated as acceptable by the county health department) to determine that they are free of active tuberculosis prior to commencing service.

The superintendent may require a medical examination of any certified employee whenever the superintendent has grounds to believe that the performance of the employee is adversely affected by illness of any kind.
