Standards of Acceptable Dress

It is the intent of the Lisbon Board of Education, through this policy, to ensure all employees present themselves to our students, parents, and general public in a manner which enhances their professional position. It is also the intent of the Lisbon Board of Education to ensure all employees model, for students, attire appropriate to success.

Dressing for success has three main effects for teachers and staff:

1. Maintain respect
2. Establish credibility
3. Establish yourself as an authority figure

All employees are expected to dress in a professional manner. Clothing should be neat, clean, in good repair, and appropriate for on the job appearances at all times. Employees shall not wear on the outside of their clothing any jewelry or similar artifacts that are obscene, distracting, or may cause disruptions to the educational environment.

Any attire deemed inappropriate by the principal is prohibited. The employee may be asked to return to school with the appropriate attire.
