Students

Examination / Grading / Rating

The Lisbon Board of Education seeks, through performance objectives in its instructional program, to make achievement both recognizable and possible for students.

The issuance of grades on a regular basis serves to promote a process of continuous evaluation of student performance, to inform the student, the student's parents and counselor of his/her progress, and to provide a basis for bringing about change in student performance, if such change seems necessary.

Students in grades 3 through 8 inclusive and 11 shall take a universal student assessment in ELA and Math between the months of March and June. Each student enrolled in grade 5, 8 and 10 shall annually in March; take a state-wide mastery examination in science. Achievement of a satisfactory score on the mastery test shall not be required as the sole criterion for promotion or graduation.

Students with significant cognitive disabilities may be assessed with the Connecticut Alternate Assessment and the CMT Science Skills Checklist.

(cf. 6146 - Graduation Requirements)
(cf. 6146.2 - Statewide Proficiency/Mastery Examinations)
(cf. 6180 - Evaluation of the Instructional Program)
