### **Title I Parent and Family Engagement**

The Lisbon Board of Education (Board) recognizes that parental and family involvement and engagement is vital to achieve maximum educational growth for students participating in the District's Title I program. Therefore, in compliance with federal law, the District will meet with parents/guardians to provide information regarding their school's participation in the Title I program and its requirements.

The Superintendent or his/her designee is directed to ensure equivalence among schools in teachers, administrators and other staff, and in the provision of curriculum materials and instructional supplies.

The Board directs the Superintendent to ensure that each of the District's schools participating in the Title I program meet annually with the parents/guardians of students receiving Title I services. Parents/guardians of participating students will be informed of their right to be involved in the development of the District's parental and family engagement policy, overall District Title I plan and the school-parent compacts.

In cooperation with parents/guardians and family, the District's policy, plan and compact will be reviewed annually and updated periodically as determined necessary, to meet the changing needs of parents/guardians and the schools, and distributed to parents/guardians of participating students in an understandable and uniform format and to the extent practicable, in a language the parents can understand.

The Superintendent is directed to develop administrative regulations, as necessary, to implement this policy and meet the requirements of law.
