Administration

Concept and Roles in Administration

Within the guidelines established by board of education policy, law and employee agreements, the superintendent shall direct and coordinate the administrative staff in implementing the educational philosophy, and achieving the goals and general objectives of the Board of Education.

The Board of Education expects the administration to demonstrate leadership and to resolve the inevitable problems which will arise both inside the school system and in its relations with the community for the achievement of common goals.

The Superintendent is expected to work collaboratively with the members of the administration team to conduct the operations of the school system.
