### Promotion / Acceleration / Retention

The administration and professional staff shall establish a system of grading and reporting academic achievement to students and their parents and guardians. The system shall also determine when promotion and graduation requirements are met. The decision to promote a student to the next grade level shall be based on successful completion of the curriculum, attendance, performance on the statewide testing program and on other standardized tests, meeting the statewide reading standards in the primary grades, maturity, academic potential and student aptitude. A student shall not be promoted based upon age or any other social reason not related to academic performance. The district shall provide alternatives to promotion such as, but not limited to transitional programs and may require students whose academic performance jeopardizes their promotion or graduation to attend after-school, summer school or other programs the district offers that are designed to help them. The administration shall determine remedial assistance for a student who is not promoted.
