### **Student Nutrition and Physical Activity (Student Wellness Policy)**

Student wellness, including good nutrition and physical activity, shall be promoted in the district's educational program, school activities, and meal programs. This policy shall be interpreted consistently with Section 204 of the Healthy, Hunger-Free Kids Act of 2010 (Public Law 111-296).

#### **Goals for Nutrition Education**

The goals for addressing nutrition education include the following:

- Schools will support and promote good nutrition for students consistent with applicable federal and state requirements and guidelines.
- Schools will foster the positive relationship between good nutrition, physical activity, and the capacity of student to develop and learn.
- Nutrition education will be part of the District's comprehensive school health education curriculum and will be integrated into other classroom content areas, as appropriate.

#### **Goals for Physical Activity**

The goals for addressing physical activity include the following:

- Schools will support and promote an active lifestyle for students.
- Physical education will be taught in all grades and shall include a standards-based, developmentally planned and sequential curriculum that fosters the development of movement skills, enhances health related fitness, increases students' knowledge, offers direct opportunities to learn how to work cooperatively in a group setting, and encourages healthy habits and attitudes for healthy lifestyle.
- Unless otherwise exempted, all students will be required to engage in the District's physical education program.

#### **Nutrition Guidelines for Foods Available in Schools**

Students will be offered and schools will promote nutritious food choices consistent with the current Dietary Guidelines for Americans and My Plate, published jointly by the U.S. Department of Health and Human Services and the Department of Agriculture, and guidelines promulgated by the Connecticut Department of Education (Connecticut Nutrition Standards for Foods in Schools") in addition to federal and state statutes and national health organizations.. In addition, in order to promote student health and reduce childhood obesity, the Superintendent or designee shall establish such administrative procedures to control food and beverage sales that compete with the District's nonprofit food service in compliance with the Child Nutrition Act. The District shall prohibit the sale of foods of minimal nutritional value as defined by the U.S. Department of Agriculture and will ensure that all foods sold to students separately from school meals meet the Connecticut Nutrition Standards. All beverages sold or served to students on school premises will be healthy choices that meet the requirements of state statute and USDA beverage requirements. (Schools must follow whichever requirements are stricter).

### **Student Nutrition and Physical Activity (Student Wellness Policy)**

#### **Nutrition Guidelines for Foods Available in Schools (continued)**

**Note: Districts that participate in Connecticut's healthy food certification must follow the Connecticut Nutrition Standards for all foods sold in schools instead of USDA's Standards for Competitive Foods. The "Connecticut Nutrition Standards" meet or exceed the USDA's competitive food standards.**

All sources of food sales to students at school must comply with the "Connecticut Nutrition Standards for Food in Schools" including, but not limited to, cafeteria a la carte sales, vending machines, school stores and fundraisers. The District shall ensure that all beverages sold to students comply with the requirements of state statute and USDA beverage requirements. The stricter requirements where different between the state and federal regulations must be followed. The District shall ensure compliance with allowable time frames for the sale of competitive foods as specified by state law.

#### **Reimbursable School Meals**

Reimbursable school meals served shall meet at a minimum, the nutrition requirements and regulations for the National School Lunch Program and/or School Breakfast Program.

#### **Monitoring**

The Superintendent or designee shall provide periodic implementation data and/or reports to the Board concerning this policy's implementation sufficient to allow the Board to monitor and adjust the policy.

#### **Community Input**

The Superintendent or designee will invite suggestions and comments concerning the development, implementation, and improvement of the school wellness policy from community members, including parents, students, and representatives of the school food authority, school administrators, and the public.

#### **Evaluation of Wellness Policy**

In an effort to measure the implementation of this policy, the Board of Education designates the Superintendent or their designee as the person who will be responsible for ensuring that the school meets the goals outlined in this policy

The District will make available to the public an assessment of the implementation, including the extent to which the school is in compliance with policy and a description of the progress being made in attaining the goals of this policy.
