

Lisbon School District

15 Newent Road
Lisbon, CT 06351

5141.3

Students

Immunizations

In accordance with Connecticut General Statutes, the Board of Education shall require each student to be protected by adequate immunizations against diphtheria, pertussis, tetanus, poliomyelitis, measles, mumps, rubella, haemophilus influenza type B, hepatitis B, chicken pox (varicella), pneumococcal disease, hepatitis A, influenza and meningococcal disease, unless medically contraindicated.

Any child enrolled in kindergarten through twelfth grade on or before April 28, 2021 and whose parents/guardians had presented a religious exemption written request before April 28, 2021 will be permitted continued use of the exemption even if such child transfers to another school in Connecticut.

Any child enrolled in pre-school or pre-kindergarten on or before April 28, 2021 whose parents/guardians submitted the statement necessary for the religious exemption will have until September 1, 2022 to comply with Connecticut's required immunizations, or within fourteen days after transferring to a different public or private school program, whichever is later. The deadline for such pre-school or pre-K student to comply with the immunization requirements can be altered if the school/District is provided with a written declaration from the child's physician, physician assistant or advanced practice registered nurse recommending a different immunization schedule for the child.
