Face Masks/Coverings

The Lisbon Board of Education is committed to providing a safe environment in schools during the ongoing COVID-19 pandemic. Maintaining a safe environment is critical to the District's ability to ensure students remain in a full-time classroom learning environment.

In accordance with guidance and recommendations from the Center for Disease Control (CDC), the Department of Education (DOE) and the Connecticut Department of Public Health (DPH) masks are not required in the school setting. Students and staff with a positive COVID test or high-risk contact exposure should follow the current CDC guidelines with respect to isolation, quarantine and mask wearing.

Students and staff who choose to wear/not wear a mask will be supported. Allegations of harassment of any person wearing or not wearing a face covering or mask will be promptly investigated in accordance with District policy.

The Board reserves the right to modify any or all matters contained in this policy at any time, subject to applicable law.
