

September 15, 2022

Dear Parents and Friends,

Again, the students are having a great year thus far. They are focused on their learning and trying their best. We are very proud of them. Here is the latest LCS news...

COVID Testing Kits

Please know that by next Wednesday, two boxes of testing kits for COVID will be distributed to each student to take home in his/her backpack. Please be on the look-out for the kits.

Update re: Information

This is a friendly reminder to be on the lookout for an email to update your child's information. In this email, are all of the permissions (photo, movie, Chromebook) for your child. With picture day coming up, it is important we get all these completed or your child will not be able to have his/her picture taken. Thank you in advance for your cooperation with this matter.

LCS Apparel

The PTO is conducting a fundraiser in which LCS apparel can be purchased at a very reasonable cost. Please see the attached flier.

Math Scores

LCS staff and students deserve praise and recognition regarding our students' performance on the most recent SBAC tests. They did a phenomenal job! Please see the attachment regarding accolades from the LCS Board of Education.

Evacuation Drill

Please know that our first evacuation drill for all grade levels was completed today. Staff and students did a good job in following the protocols.

Friday, September 16th

Tomorrow is an early release day for students. They will be released at 1:00p.m. Staff will be involved in professional development relating to data teams and goal-setting. It promises to be a productive afternoon.

That is the news for now. Have a good day and a wonderful weekend.

Sal and Christopher
