September 2022

Dear Parents/Guardians:

In the event of a real lockdown, and only in the event of a real lockdown, your child may not have access to an EpiPen and/or inhaler unless he/she is a self administer child. Although the chance of an allergic reaction is minimal during a lockdown, we feel the need to bring this component of your child's plan to your attention. Also, no food will be served during a lockdown. Providing a safe school environment for all students is very important to us at Lisbon Central School.

If you have any questions, please call us at (860) 376-6716.

Sincerely,

Theresa Svab
