

June 2, 2023

Dear Parents and Friends,

We hope that you all had a great week. We would like to share the following information with all of you:

End-of-the-year information

As the end of the school year approaches, we would like our families to know that Thursday, June 8, 2023, and Friday, June 9, 2023, are both early release days. Students will be dismissed at 1:00 pm on both of these days. The last day for Grade 8 students is Thursday, June 8, 2023. The Grade 8 graduation will be held outdoors on Thursday, June 8, 2023, at 4:00 pm on the track. The rain date will be Friday, June 9, 2023. Friday, June 9, 2023, is the last day of school.

May Students of the Month

Congratulations are in order to our May Students of the Month - Parker Davis, Piper Murphy, Violet Boxold, Jad Trabousi, Karliany Rivera, Hannah Polach, Eve Raposo, Colton O'Brien, and Haley Bryant. Nice Job to these students for demonstrating Cougar Pride's tenants, which are respectful, responsible, safe, and trustworthy.

Chromebooks

We will collect all student Chromebooks and chargers next week. Please be sure that your child brings in both of these items to school Monday.

LCS PTO Information

This coming Sunday, June 4, 2023, is the LCS PTO CT Sun Basketball event. Please [click on this link](#) for more information. If the LCS PTO sells 75 or more tickets to the game, the LCS attendees can bring the oversized American flag out on the court during the national anthem. For those of you who purchased tickets, please meet Jessica Sulik, our LCS PTO president in front of the box office at 11:45 am. She will be holding an LCS PTO sign and wearing an LCS PTO t-shirt.

Please check out the [LCS PTO Facebook](#) page for more information on upcoming events.

Lost and Found

Our [lost and found area](#) located in the library hallway has accumulated quite a number of lost articles of clothing and other items. If your child is missing something, there is a good chance that this missing article of clothing or missing water bottle is in this area.

Healthy Hint of the Week

Avoid bright light before bed. Light affects how your body prepares for sleep, so keeping your screens on before bed can interrupt your sleep cycle. Light can prevent your body from secreting melatonin – the hormone that makes you tired and helps keep you asleep. Try putting your devices down and turning off your TV two hours before you fall asleep.

From the Nurse's office

Please [click on this link](#) to view the latest update from Mrs. Svab, our school nurse, about medication pick-up.

Student Dress Code Reminder

As the warmer weather approaches, we would like to remind our families that all students' garments must be in compliance with the dress code for the duration of the school day. The standards for the appropriate dress are listed below. This information can also be found in [Dress Code Policy #5132](#).

Pants

- Jeans, dress, cargo, and athletic styles
- Pants cannot hang below the waist
- Official LCS flannel pants will be accepted

Shorts

- Jeans, dress, cargo, and athletic styles
- Must not be shorter than mid-thigh length and cannot hang below the waist.

Dresses and Skirts

- Must not be shorter than a hand width above the knee.
- Dresses must completely cover shoulders and not expose cleavage.

Leggings

- Leggings may be worn only along with shorts, dresses, and skirts of appropriate length or with shirts that extend to mid-thigh length.

Footwear

- Footwear must be worn at all times.
- Shoes, sandals, flats, boots, flip-flops, and sneakers
- Sneakers must be worn for participation in gym class

Shirts, Blouses, Tops

- Collared shirts — any color and/or pattern
- T-shirts
- Knit tops and blouses — any color and/or pattern
- All tops must completely cover shoulders and not expose any cleavage or midriff.

Sweaters, Hoodies, and Sweatshirts

- Crew neck sweaters, V-neck sweaters, pullover sweatshirts/hoodies, and zip-up sweatshirts/hoodies

Outerwear

- Jackets, coats, blazers, suit jackets, and vests

Head Coverings

- All students must remove head coverings upon entering the school building (with exceptions as listed above).

NFA Summer Science Camp

NFA will be holding a Summer Science camp for students entering grades 6-8. The dates of this summer camp are July 10-14 from 8 am-12 pm. This opportunity is FREE for Lisbon students. Please click [on this link](#) for more information and to register for this summer opportunity.

Have a wonderful weekend
Christopher & Sal
