

August 11, 2023

Dear Parents and Friends,

We hope all of you are enjoying the sunshine and enjoying your time with friends and family. We would like to share the following information with all of you:

Classroom assignments

An email with your child's classroom/homeroom teacher was sent via email to parents this morning. If you did not receive this email, please contact Mrs. Edmond in the main office.

Morning Drop-off and Afternoon Pick-up

We would like our families to know that we have established new procedures for parents dropping off their student(s) in the morning and for parents picking up their student(s) in the afternoon. Thank you to Tom Sparkman, Trooper Adams, and Brian McGlew for their help with this new procedure. Both drop-off and pick-up will continue to be in the Lisbon Senior Center behind LCS. However, we will be having families enter through the entrance by the Lisbon Fire Station and exit through the driveway between the Lisbon Senior Center and LCS. Any drop-off in front of the Lisbon Senior Center or at the LCS maintenance doors is no longer allowed. All traffic needs to follow this new flow pattern. Families are to remain in their vehicles at all times and follow the drop-off/pick-up procedure. Both drop-off and pick-up will be at the LCS stairs located at the back of the building by the Lisbon Senior Center. These procedures will be sent to families in a separate email next week. Following these procedures and keeping a patient and positive demeanor means we are all doing our part to keep our students safe and our routines as efficient as possible. Bus transportation is available for all students.

Kindergarten, Pre-K Orientation & First day of school

The [Kindergarten Orientation](#) and [Preschool Orientation](#) will be on August 25, 2023. If any kindergarten or preschool parent did not receive an email notification about this event, please contact the main office. The first day of school is Wednesday, August 30, 2023.

LCS PTO Meeting 8/16

The LCS PTO will meet next Wednesday, August 16, 2023, at 5:30 pm in the LCS Cafeteria. We look forward to seeing our parents Wednesday. For more information please visit the [LCS PTO Facebook page](#).

Slater Library

We have some information to share from the Slater Library regarding [CT Library for Accessible Books](#), [Painting Happy Mini Trees on August 24th](#), and [other events](#) happening at the library.

Summer Reading and Math Challenge Reminder

We would like to remind our families that there is still time to participate in the Summer Reading Challenge and Summer Math Challenge.

- [CONNECTICUT READS, the 2023 Governor's Summer Reading Challenge](#), encourages students to read over the summer months. To help support summer reading, the Connecticut State Library's statewide [eGo eBook](#) platform is now available through many local public libraries and provides access to digital resources for all ages. Please have your student share their summer reading experience using this [journal](#).
- Involvement in the [Commissioner's Summer Math Challenge](#) will support and enhance our efforts to help every student access grade-level content. [This year's theme is "Infinite Possibilities with Math."](#)

Have a wonderful weekend.

Christopher & Sal
