September 22, 2023

Dear Parents and Friends,

We hope that you had a great week. We would like to share the following information with you:

### **Make-up work**

We would like to inform our families of the procedure for make-up work when a student is absent from school. As stated in the LCS Student Student & Family Handbook *“When a student is absent from school, any missing work will be provided to the student when the student returns. Students will be provided make-up work for each day that they are absent. The responsibility for the completion of missed work lies with the student, not the teacher. Students will have the number of days out plus one additional day to make up the missed work. For example, if a student is absent for 4 days, the student will have 5 days to make up the missing work.”*

### **PM Pick-up Update**

For our parents who pick up their students at the end of the day, we would like for you to stay to the right when you are pulling up the driveway between the Lisbon Fire Station and Lisbon Senior Center. This will allow emergency vehicles to enter the parking lot if needed. Additionally, we would like to remind our parents picking up their student at the end of the day to please place a piece of paper with their student(s) name on it written in clear, legible, black ink on the passenger-side dashboard with the student(s) name facing the window. Also, please have your ID handy for pick-up verification in case it is needed. We appreciate your support.

### **From the LCS PTO**

Please check out the most recent [LCS PTO Newsletter](#) for additional information about upcoming LCS PTO events, including the [Spooky Skate In, Trunk or Treat](#), and [Holiday Shopping](#).

### **Community Partners**

Please [click on this link](#) and [this link](#) for upcoming events from the Griswold Recreation Department. Please [click on this link](#) for the Slater Library September Calendar and [click on this link](#) for the Fashion in Fiction event at Slater Library on September 26, 2023.

### **Healthy Hint of the Week**

Go to bed at the same time every night. Or at least as much as possible. Everyone’s schedule changes, but training your body to begin the sleep process at a similar time each evening can help you fall asleep more quickly and prevent those nights of restless tossing and turning.

Have a wonderful weekend.

Christopher & Sal
