### **From the Nurse**

Please [click on this link](#) for a friendly reminder from Mrs. Svab about cold weather and cold and respiratory illnesses. Also, we would like to remind our Pre-K families that all Pre-K students are required to get their flu shots before December 31st. If your Pre-K child has not yet received their flu vaccine, please call your healthcare provider ASAP to make an appointment. The nurse's office needs a flu vaccine on file for this school year to meet the State of Connecticut influenza requirements for Pre-K.

### **Healthy Hint of the Week**

Make it a point to get outside even when it's cold! With even just 15 minutes a day, the benefits include: improving your immune system, lowering stress levels, increasing physical activity, improving sleep quality, and improving overall happiness.

We hope that you all have a fantastic Thanksgiving Break.
