Flu Vaccination Clinic

We would like to let our families know that Uncas Health District (UHD) presently has flu vaccines for children and adults and is available to administer them in their office on Mondays from 12:00 pm to 5:00 pm (except 12/25). Appointments are required. Additionally, the UHD will be open on Tuesday, December 26th, and Thursday, December 28th from 12:00 pm to 5:00 pm for walk-ins (no appointments needed) This vaccination opportunity provides a convenient opportunity for parents to get their children vaccinated before returning to school in January. According to the CT Department of Health, Pre-K students who are not vaccinated for the flu will not be allowed to return to school on January 2, 2023. Please [click on this link](#) for the flyer. If you have any questions, please call the nurse's office at 860-376-2403, ext. 4.

Healthy Hint of the Week

Do one small (or big) form of stress management every day. Whether sitting in quiet for five minutes, doing yoga or light stretching, or listening to music by yourself, find something that soothes you and helps clear your mind to tackle the tasks that await you.

That is all we have for this week's Dear Parents and Friends. We hope that you all have a great weekend.
