From the Nurse's office

Please let the school nurse know if your child has a health condition that may require health care services or individualized planning for emergency care during school hours. You should also contact the school nurse's office if your child has a change in their health status (i.e., illness, injury, hospitalization, or a change in treatment or medication). Thank you.

Plasticware and Napkins

We would like to remind our families who have their students bring home lunch to school to please include plasticware and napkins with their lunch from home (home lunch). The cost of a hot lunch meal includes the cost of plasticware and napkins.

Healthy Hint of the Week

Make positive and healthy decisions. Understand the consequences of actions and be able to reflect on decisions made.

That is all we have for this week's Dear Parents and Friends. We wish you a happy, healthy, and safe new year.
