The Uncas Health District (UHD) has flu vaccines for children and adults available next Tuesday, December 26th, and Thursday, December 28th from 12:00 pm to 5:00 pm for walk-ins (no appointments needed) This vaccination opportunity provides a convenient opportunity for parents to get their children vaccinated before returning to school in January. **Healthy Hint of the Week**

Express love and gratitude to others. Telling a friend that you care or telling a friend one positive thing about them can have a positive impact on someone's day.

That is all we have for this week's Dear Parents and Friends. On behalf of all of us at Lisbon Central School we wish all of you a wonderful holiday and a healthy, safe, and restful Winter Break.
