RIF Breakfast

Next week, March 18, 2024, through March 22, 2024, LCS is celebrating National School Breakfast Week. National School Breakfast Week (NSBW) celebrates the importance of nutritious school breakfasts in fueling students for success. Reading is Fundamental (RIF) is the leading voice for children's literacy. Combining these two events, we have created an opportunity for our LCS families to have breakfast with their students and receive a free book. If you are interested in attending, please sign up by 6:00 pm, Friday, March 15, 2024, so that we have an accurate number of parents for breakfast. Healthy Hint of the Week

Get moving. Walk where you can, whenever you can. Take a lap around the block, or take a walk with a friend. You don't have to take long or intense walks, but try to add a few more steps to your day.

That is all we have for this week's Dear Parents and Friends. Have a great weekend!
