Healthy Hint of the Week

[Be Sun Safe](#). With longer days and warmer weather upon us, it is important to be mindful about protecting yourself when you are out in the sun. For example, wear long-sleeved shirts and long pants, a wide-brimmed hat, and sunglasses, and use a broad-spectrum sunscreen with at least SPF 15. ([from the CDC](#))

That is all we have for this week's Dear Parents and Friends. Have a great weekend. We look forward to seeing our students on Monday morning!
