OLSAT Assessments, Grades 3, 5, 7

We are mailing home results of the OLSAT (Otis Lennon Ability Test) that is given to students in grades 3, 5 and 7 each year. We utilize these results to help identify students who may be eligible for gifted and talented identification. We routinely look at students' scores against a rubric to identify students who may be gifted, talented or both. Parents are notified in the fall if their child is eligible. If you need help understanding your child's score or have questions, please reach out to Mrs. Jenkins, our G & T Coordinator.

Healthy Hint of the Week

Hang out with friends. Having a supportive social network is important. The strength of your relationships with family, and friends supports your well-being and physical health.

That is all we have for this week's Dear Parents and Friends. Have a wonderful holiday weekend. We look forward to seeing our students on Tuesday morning!
