

STUDENT DISCIPLINE

It is the policy of the Lisbon Board of Education (the “Board”) to create a school environment that promotes respect of self, others, and property within the Lisbon Public Schools (the “District”). Compliance with this policy will enhance the Board and the District’s ability to maintain discipline and reduce interference with the educational process that can result from student misconduct. Pursuant to this policy, the District shall promote the utilization of consistent discipline practices, both within and across schools in the District, while also promoting the consideration of individual circumstances arising in each student disciplinary matter. Where appropriate, the District implements strategies that teach, encourage and reinforce positive student behavior that do not require engagement with the discipline system.

I. Definitions

- A. **Bullying**, as defined in the Lisbon Board of Education Policy 5131.911 S Bullying and Safe School Climate Plan.
- B. **Cannabis** means marijuana, as defined by Conn. Gen. Stat. § 21a-240.
- C. **Dangerous Instrument** means any instrument, article or substance which, under the circumstances in which it is used or attempted or threatened to be used, is capable of causing death or serious physical injury, and includes a "vehicle" or a dog that has been commanded to attack.
- D. **Deadly Weapon** means any weapon, whether loaded or unloaded, from which a shot may be discharged, or a switchblade knife, gravity knife, billy, blackjack, bludgeon or metal knuckles. A weapon such as a pellet gun and/or air soft pistol may constitute a deadly weapon if such weapon is designed for violence and is capable of inflicting death or serious bodily harm. In making such determination, the following factors should be considered: design of weapon; how weapon is typically used (e.g., hunting); type of projectile; force and velocity of discharge; method of discharge (e.g., spring v. CO2 cartridge) and potential for serious bodily harm or death.
- E. **Electronic Defense Weapon** means a weapon which by electronic impulse or current is capable of immobilizing a person temporarily, but is

not capable of inflicting death or serious physical injury, including a stun gun or other conductive energy device.

- G. **Exclusion** means any denial of public school privileges to a student for disciplinary purposes.
- H. **Expulsion** means the exclusion of a student from school privileges for more than ten (10) consecutive school days and shall be deemed to include, but not be limited to, exclusion from the school to which such student was assigned at the time such disciplinary action was taken. The term firearm does not include an antique firearm. As used in this definition, a "**destructive device**" includes any explosive, incendiary, or poisonous gas device, including a bomb, a grenade, a rocket having a propellant charge of more than four ounces, a missile having an explosive or incendiary charge of more than one-quarter ounce, a mine, or any other similar device; or any weapon (other than a shotgun or shotgun shell which the Attorney General finds is generally recognized as particularly suited for sporting purposes) that will, or may be readily converted to, expel a projectile by explosive or other propellant, and which has a barrel with a bore of more than ½" in diameter. The term "destructive device" also includes any combination of parts either designed or intended for use in converting any device into any destructive device and from which a destructive device may be readily assembled. Harassment constitutes unlawful discrimination when it creates a hostile environment, which occurs when the harassment is sufficiently severe, pervasive, or persistent so as to interfere with or limit a student’s ability to participate in or benefit from the services, activities, or opportunities offered by a school. Harassment does not have to include intent to harm, be directed at a specific target, or involve repeated incidents. Harassment against any individual on the basis of that individual’s association with someone in a Protected Class may be a form of Protected Class harassment.
- M. **In-School Suspension** means an exclusion from regular classroom activity for no more than five (5) consecutive school days, but not exclusion from school, provided such exclusion shall not extend beyond the end of the school year in which such in-school suspension was imposed.  - V. Notwithstanding the foregoing definitions, the reassignment of a student from one regular education classroom program in the District to another regular education classroom program in the District shall not constitute a suspension or expulsion.
 - W. For purposes of this policy, references to “school”, “school grounds” and “classroom” shall include physical educational environments, including on school transportation, as well as environments in which students are engaged in remote learning, which means instruction by means of one or more Internet-based software platforms as part of a remote learning model.

A school principal or other school administrator shall notify a parent or guardian of a student whose behavior has caused a serious disruption to the instruction of other students; caused self-harm; or caused physical harm to a teacher, another student, or other school employee not later than twenty-four (24) hours after such behavior occurs.
- B. Such notice shall include, but not be limited to, informing such parent or guardian that the teacher of record in the classroom in which such behavior occurred may request a behavior intervention meeting.
- C. If the teacher of record in the classroom ultimately requests a behavior intervention meeting with the crisis intervention team for the school, the parent or guardian must be notified that such meeting will occur.
- D. If a behavior intervention meeting occurs, the crisis intervention team shall, not later than seven (7) days after the behavior intervention meeting, provide to the parent or guardian of such student, in the dominant language of such parent or guardian, a written summary of such meeting, including, but not limited to, the resources and supports identified.

- B. A student may not be removed from class more than six (6) times in one school year nor more than twice in one week unless the student is referred to the responsible administrator or the administrator's designee and granted an informal hearing at which the student should be informed of the reasons for the disciplinary action and given an opportunity to explain the situation.
- C. The parents or guardian of any minor student removed from class shall be given notice of such disciplinary action within twenty-four (24) hours of the time of the institution of such removal from class.

VII. Procedures Governing Suspension

- A. The responsible administrator or the administrator's designee shall have the right to suspend a student for breach of conduct as noted in Section II of this policy for not more than the following: five (5) consecutive school days for an in-school suspension; ten (10) consecutive school days for an out-of-school suspension for students in grades three through twelve, inclusive; or five (5) consecutive school days for an out-of-school suspension for students in grades preschool to two, inclusive. In cases where suspension is contemplated, the following procedures shall be followed.
 - 1. Unless an emergency situation exists, no student shall be suspended prior to having an informal hearing before the responsible administrator or the administrator's designee at which the student is informed of the alleged misconduct and given an opportunity to respond. In the event of an emergency, the informal hearing shall be held as soon after the suspension as possible.
 - 2. If suspended, such suspension shall be an in-school suspension, except the responsible administrator or the administrator's designee may impose an out-of-school suspension on any student:
 - a. in grades three to twelve, inclusive, if, during the informal hearing, (i) the responsible administrator or the

administrator's designee determines that the student poses such a danger to persons or property or such a disruption of the educational process that the student should be excluded from school during the period of suspension; or (ii) the responsible administrator or the administrator's designee determines that an out-of-school suspension is appropriate based on evidence of (A) the student's previous disciplinary problems that have led to suspensions or expulsion of such student, and (B) previous efforts by the District Administration to address the student's disciplinary problems through means other than out-of-school suspension or expulsion, including positive behavioral support strategies, or

- b. in grades preschool to two, inclusive, if the responsible administrator or the administrator's designee
 - (i) determines that an out-of-school suspension is appropriate for such student based on evidence that such student's conduct on school grounds is behavior that caused physical harm;
 - (ii) requires that such student receives services that are trauma-informed and developmentally appropriate and align with any behavioral intervention plan, individualized education program ("IEP") or plan pursuant to Section 504 of the Rehabilitation Act of 1973 ("Section 504") for such student upon such student's return to school immediately following the out-of-school suspension; and
 - (iii) considers whether to convene a Planning and Placement Team ("PPT") meeting for the purposes of conducting an evaluation to determine whether such student may require special education or related services.
3. Evidence of past disciplinary problems that have led to removal from a classroom, suspension, or expulsion of a student who is the subject of an informal hearing may be received by responsible administrator or the administrator's designee, but only considered in the determination of the length of suspensions.
4. By telephone, responsible administrator or the administrator's designee shall make reasonable attempts to immediately notify the parent or guardian of a minor student following the suspension and to state the cause(s) leading to the suspension.

5. Whether or not telephone contact is made with the parent or guardian of such minor student, responsible administrator or the administrator's designee shall forward a letter promptly to such parent or guardian to the last address reported on school records (or to a newer address if known by the responsible administrator or the administrator's designee), offering the parent or guardian an opportunity for a conference to discuss same.
6. In all cases, the parent or guardian of any minor student who has been suspended shall be given notice of such suspension within twenty-four (24) hours of the time of the institution of the suspension.
7. Not later than twenty-four (24) hours after the commencement of the suspension, the responsible administrator or the administrator's designee shall also notify the Superintendent or designee of the name of the student being suspended and the reason for the suspension.
8. The student shall be allowed to complete any classwork, including examinations, without penalty, which the student missed while under suspension.
9. The Administration may, in its discretion, shorten or waive the suspension period for a student who has not previously been suspended or expelled, if the student completes an Administration-specified program and meets any other conditions required by the Administration. Such Administration-specified program shall not require the student and/or the student's parents to pay for participation in the program. The Superintendent may delegate this authority to building or program level administrators.
10. Notice of the suspension shall be recorded in the student's cumulative educational record. Such notice shall be expunged from the cumulative educational record if the student graduates from high school. In cases where the student's period of suspension is shortened or waived in accordance with Section VII.A(9), above, the Administration may choose to expunge the suspension notice from the cumulative record at the time the student completes the Administration-specified program and meets any other conditions required by the Administration. The Superintendent may delegate this authority to building or program level administrators.

11. If the student has not previously been suspended or expelled, and the Administration chooses to expunge the suspension notice from the student's cumulative record prior to graduation, the Administration may refer to the existence of the expunged disciplinary notice, notwithstanding the fact that such notice may have been expunged from the student's cumulative file, for the limited purpose of determining whether any subsequent suspensions or expulsions by the student would constitute the student's first such offense.
 12. The decision of the responsible administrator or the administrator's designee with regard to disciplinary actions up to and including suspensions shall be final.
 13. During any period of suspension served out of school, the student shall not be permitted to be on school property and shall not be permitted to attend or participate in any school-sponsored activities, unless the responsible administrator or the administrator's designee specifically authorizes the student to enter school property for a specified purpose or to participate in a particular school-sponsored activity.
- B. In cases where a student's suspension will result in the student being suspended more than ten (10) times or for a total of fifty (50) days in a school year, whichever results in fewer days of exclusion, the student shall, prior to the pending suspension, be granted a formal hearing before the Board. The responsible administrator or the administrator's designee shall report the student to the Superintendent or designee and request a formal Board hearing. If an emergency situation exists, such hearing shall be held as soon after the suspension as possible.

VIII. Procedures Governing In-School Suspension

- A. The responsible administrator or the administrator's designee may impose in-school suspension in cases where a student's conduct endangers persons or property, violates school policy or seriously disrupts the educational process as determined by the responsible administrator or the administrator's designee.
- B. In-school suspension may not be imposed on a student without an informal hearing by responsible administrator or the administrator's designee.

- C. In-school suspension may be served in the school or program that the student regularly attends or in any other school building within the jurisdiction of the Board.
- D. No student shall be placed on in-school suspension more than fifteen (15) times or for a total of fifty (50) days in one school year, whichever results in fewer days of exclusion.
- E. The parents or guardian of any minor student placed on in-school suspension shall be given notice of such suspension within twenty-four (24) hours of the time of the institution of the period of the in-school suspension.
- F. During any period of suspension served in school, per administration – the student shall not be permitted to attend or participate in any school-sponsored activities, unless the responsible administrator or the administrator’s designee specifically authorizes the student to enter school property for a specified purpose or to participate in a particular school-sponsored activity.

IX. Procedures Governing Expulsion Hearing

A. ***Emergency Exception:***

Except in an emergency situation, the Board shall, prior to expelling any student, conduct a hearing to be governed by the procedures outlined herein and consistent with the requirements of Conn. Gen. Stat. § 10-233d or Conn. Gen. Stat. § 10-233l, if applicable, as well as the applicable provisions of the Uniform Administrative Procedures Act, Conn. Gen. Stat. §§ 4-176e to 4-180a, and § 4-181a. Whenever an emergency exists, the hearing provided for herein shall be held as soon as possible after the expulsion.

B. ***Hearing Panel:***

1. Expulsion hearings conducted by the Board will be heard by any three or more Board members. A decision to expel a student must be supported by a majority of the Board members present, provided that no less than three (3) affirmative votes to expel are cast.
2. Alternatively, the Board may appoint an impartial hearing board composed of one (1) or more persons to hear and decide the expulsion matter, provided that no member of the Board may serve on such panel.

- C. *Hearing Notice and Rights of the Student and Parent(s)/Guardian(s):*
1. Written notice of the expulsion hearing must be given to the student, and, if the student is a minor, to the student's parent(s) or guardian(s) at least five (5) business days before such hearing, not including the day of such hearing.
 2. A copy of this Board policy on student discipline shall also be given to the student, and if the student is a minor, to the student's parent(s) or guardian(s), at the time the notice is sent that an expulsion hearing will be convened.
 3. The written notice of the expulsion hearing shall inform the student of the following:
 - a. The date, time, place and nature of the hearing, including if the hearing will be held virtually, via video conference.
 - b. The legal authority and jurisdiction under which the hearing is to be held, including a reference to the particular sections of the legal statutes involved.
 - c. A short, plain description of the conduct alleged by the Superintendent or designee.
 - d. The student may present as evidence relevant testimony and documents concerning the conduct alleged and the appropriate length and conditions of expulsion; and that the expulsion hearing may be the student's sole opportunity to present such evidence.
 - e. The student may cross-examine witnesses called by the Superintendent or designee.
 - f. The student may be represented by an attorney or other advocate of the student's choice at the student's expense or at the expense of the student's parent(s) or guardian(s).
 - g. A student is entitled to the services of a translator or interpreter, to be provided by the Board, whenever the student or the student's parent(s) or guardian(s) requires the services of an interpreter because they do not speak the English language or are disabled.

- h. The conditions under which the Board is not legally required to give the student an alternative educational opportunity (if applicable).
- i. Information concerning the parent's(s') or guardian's(s') and the student's legal rights and about free or reduced-rate legal services and how to access such services.
- j. The parent(s) or guardian(s) of the student have the right to have the expulsion hearing postponed for up to one week to allow time to obtain representation, except that if an emergency exists, such hearing shall be held as soon after the expulsion as possible.

D. *Hearing Procedures:*

1. The hearing will be conducted by the Presiding Officer, who will call the meeting to order, introduce the parties, Board members and others participating in the hearing (if applicable), briefly explain the hearing procedures, and swear in any witnesses called by the Superintendent/designee or the student. If an impartial board or more than one person has been appointed, the impartial board shall appoint a Presiding Officer.
2. The hearing will be conducted in executive session. A verbatim record of the hearing will be made, either by tape or digital recording or by a stenographer. A record of the hearing will be maintained, including the verbatim record, all written notices and documents relating to the case and all evidence received or considered at hearing.
3. The Superintendent or designee shall bear the burden of production to come forward with evidence to support its case and shall bear the burden of persuasion. The standard of proof shall be a preponderance of the evidence.
4. Formal rules of evidence will not be followed. The Board (or the impartial board) has the right to accept hearsay and other evidence if it deems that evidence relevant or material to its determination. The Presiding Officer will rule on testimony or evidence as to it being immaterial, irrelevant and/or any other objections to its submission.
5. The hearing will be conducted in two (2) parts. In the first part of the hearing, the Board (or the impartial board) will receive and

consider evidence regarding the conduct alleged by the Administration.

6. In the first part of the hearing, the charges will be introduced into the record by the Superintendent or designee.
7. Each witness for the Superintendent or designee will be called and sworn. After a witness has finished testifying, the witness will be subject to cross-examination by the opposite party or the witness' legal counsel, by the Presiding Officer and by Board members (or the impartial board).
8. The student shall not be compelled to testify at the hearing.
9. After the Superintendent or designee has presented the Administration's case, the student will be asked if the student has any witnesses or evidence to present concerning the charges. If so, the witnesses will be sworn, will testify, and will be subject to cross examination and to questioning by the Superintendent or designee, the Presiding Officer and/or by the Board (or the impartial board). The student may also choose to make a statement at this time. If the student chooses to make a statement, the student will be sworn and subject to cross examination and questioning by the Superintendent or designee, the Presiding Officer and/or by the Board (or the impartial board). Concluding statements will be made by the Superintendent or designee and then by the student and/or the student's representative.
10. In cases where the student has denied the allegation, the Board (or the impartial board) must determine whether the student committed the offense(s) as charged by the Superintendent or designee.
11. If the Board (or the impartial board) determines that the student has committed the conduct as alleged, then the Board (or the impartial board) shall proceed with the second portion of the hearing, during which the Board (or the impartial board) will receive and consider relevant evidence regarding the length and conditions of expulsion.
12. When considering the length and conditions of expulsion, the Board (or the impartial board) may review the student's attendance, academic and past disciplinary records. The Board (or the impartial board) may not review notices of prior expulsions or suspensions which have been expunged from the student's cumulative record, except as so provided in Section VII.A (9),

- (10), (11), above, and Section XI, below. The Board (or the impartial board) may ask the Superintendent or designee for a recommendation as to the discipline to be imposed.
13. Evidence of past disciplinary problems that have led to removal from a classroom, suspension or expulsion of a student being considered for expulsion may be considered only during the second portion of the hearing, during which the Board (or the impartial board) is considering length of expulsion and nature of alternative educational opportunity to be offered.
 14. Where administrators presented the case in support of the charges against the student, neither such administrative staff nor the Superintendent or designee shall be present during the deliberations of the Board (or the impartial board) either on questions of evidence or on the final discipline to be imposed. The Superintendent or designee may, after reviewing the incident with administrators, and reviewing the student's records, make a recommendation to the Board (or the impartial panel) as to the appropriate discipline to be applied.
 15. The Board (or the impartial board) shall make findings as to the truth of the charges, if the student has denied them; and, in all cases, the disciplinary action, if any, to be imposed. While the hearing itself is conducted in executive session, the vote regarding expulsion must be made in open session and in a manner that preserves the confidentiality of the student's name and other personally identifiable information.
 16. Except for a student who has been expelled based on possession of a firearm or deadly weapon as described in subsection IV.B(1) and (2) above, the Board (or the impartial board) may, in its discretion, shorten or waive the expulsion period for a student who has not previously been suspended or expelled, if the student completes a Board-specified program and meets any other conditions required by the Board (or the impartial board). The Board-specified program shall not require the student and/or the student's parents to pay for participation in the program.
 17. The Board (or the impartial board) shall report its final decision in writing to the student, or if such student is a minor, also to the parent(s) or guardian(s), stating the reasons on which the decision is based, and the disciplinary action to be imposed. Said decision shall be based solely on evidence presented at the hearing. The parents or guardian or any minor student who has been expelled

shall be given notice of such disciplinary action within twenty-four (24) hours of the time of the institution of the period of the expulsion.

18. The hearing may be conducted virtually, via video conference, at the direction of the Board (or the impartial board), in the event school buildings are closed to students or individuals are provided limited access to school buildings due to a serious health or other emergency. Any virtual hearing must provide the student the due process rights identified in this Subsection D.

E. ***Presence on School Grounds, on School Transportation, and Participation in School-Sponsored Activities During Expulsion:***

During the period of expulsion, the student shall not be permitted to be on school property or on school transportation, and shall not be permitted to attend or participate in any school-sponsored activities, except for the student's participation in any alternative educational opportunity provided by the District in accordance with this policy, unless the Superintendent or designee specifically provides written permission for the student to enter school property or school transportation for a specified purpose or to participate in a particular school-sponsored activity.

F. ***Stipulated Agreements:***

In lieu of the procedures used in this Section, the Superintendent or designee and the parent(s) or legal guardian(s) of a student facing expulsion may choose to enter into a Joint Stipulation of the Facts and a Joint Recommendation to the Board concerning the length and conditions of expulsion. Such Joint Stipulation and Recommendation shall include language indicating that the parent(s) or legal guardian(s) understand their right to have an expulsion hearing held pursuant to these procedures, and language indicating that the Board, in its discretion, has the right to accept or reject the Joint Stipulation of Facts and Recommendation. If the Board (or the impartial board) rejects either the Joint Stipulation of Facts or the Recommendation, an expulsion hearing shall be held pursuant to the procedures outlined herein. If the student is eighteen years of age or older, the student shall have the authority to enter into a Joint Stipulation and Recommendation on the student's own behalf.

If the parties agree on the facts, but not on the disciplinary recommendation, the Superintendent or designee and the parents (or legal guardians) of a student facing expulsion may also choose to enter into a Joint Stipulation of the Facts and submit only the Stipulation of the Facts to the Board (or the impartial board) in lieu of holding the first part of the

hearing, as described above. Such Joint Stipulation shall include language indicating that the parents and/or student over the age of 18 understand their right to have a hearing to determine whether the student engaged in the alleged misconduct and that the Board, in its discretion, has the right to accept or reject the Joint Stipulation of Facts. If the Board (or the impartial board) rejects the Joint Stipulation of Facts, a full expulsion hearing shall be held pursuant to the procedures outlined herein.

X. Alternative Educational Opportunities for Expelled Students

A. *Students under sixteen (16) years of age:*

Whenever the Board expels a student under sixteen (16) years of age, it shall offer any such student an alternative educational opportunity.

B. *Students sixteen (16) to eighteen (18) years of age:*

1. The Board shall provide an alternative educational opportunity to a sixteen (16) to eighteen (18) year-old student expelled for the first time if the student requests it and if the student agrees to the conditions set by the Board (or the impartial board). Such alternative educational opportunity may include, but shall not be limited to, the placement of a student who is at least seventeen years of age in an adult education program. Any student participating in an adult education program during a period of expulsion shall not be required to withdraw from school as a condition to participation in the adult education program.
2. The Board is not required to offer an alternative educational opportunity to any student between the ages of sixteen (16) and eighteen (18) who is expelled for a second, or subsequent, time.
3. The Board shall count the expulsion of a student when the student was under sixteen (16) years of age for purposes of determining whether an alternative educational opportunity is required for such student when the student is between the ages of sixteen and eighteen.

C. *Students eighteen (18) years of age or older:*

The Board is not required to offer an alternative educational opportunity to expelled students eighteen (18) years of age or older.

D. Content of Alternative Educational Opportunity

1. For the purposes of Section X, and subject to Subsection X.E, below, any alternative educational opportunity to which an expelled student is statutorily entitled shall be (1) alternative education, as defined by Conn. Gen. Stat. § 10-74j and in accordance with the *Standards for Educational Opportunities for Students Who Have Been Expelled*, adopted by the Connecticut State Board of Education (“CSBE”), with an individualized learning plan, if the Board provides such alternative education, or (2) in accordance with the *Standards for Educational Opportunities for Students Who Have Been Expelled*, adopted by the CSBE.
2. The Superintendent or designee shall develop administrative regulations concerning alternative educational opportunities, which administrative regulations shall be in compliance with the standards adopted by the CSBE. Such administrative regulations shall include, but are not limited to, provisions to address student placement in alternative education; individualized learning plans; monitoring of students placements and performance; and a process for transition planning.

E. ***Students identified as eligible for services under the Individuals with Disabilities Education Act (“IDEA”):***

Notwithstanding Subsections X.A. through D. above, if the Board expels a student who has been identified as eligible for services under the Individuals with Disabilities Education Act (“IDEA”), it shall offer an alternative educational opportunity to such student in accordance with the requirements of IDEA, as it may be amended from time to time, and in accordance with the *Standards for Educational Opportunities for Students Who Have Been Expelled*, adopted by the CSBE.

F. ***Students for whom an alternative educational opportunity is not required:***

The Board may offer an alternative educational opportunity to a student for whom such alternative educational opportunity is not required by law or as described in this policy. In such cases, the Board, or if delegated by the Board, the Administration, shall determine the components, including nature, frequency and duration of such services, of any such alternative educational opportunity.

XI. Notice of Student Expulsion on Cumulative Record

Notice of expulsion and the conduct for which the student was expelled shall be included on the student's cumulative educational record. Such notice, except for notice of an expulsion of a student in grades nine through twelve, inclusive, based upon possession of a firearm or deadly weapon, shall be expunged from the cumulative educational record by the District if the student graduates from high school.

In cases where the student's period of expulsion is shortened or waived in accordance with Section IX.D(16), above, the Board may choose to expunge the expulsion notice from the cumulative record at the time the student completes the Board-specified program and meets any other conditions required by the Board. Except as may be specified by the Board in an expulsion hearing decision, the Board delegates the authority to make decisions pertaining to expungement to the Superintendent.

If a student's period of expulsion was not shortened or waived, the Board may choose to expunge the expulsion notice from the student's cumulative record prior to graduation if such student has demonstrated to the Board that the student's conduct and behavior in the years following such expulsion warrants an expungement. In deciding whether to expunge the expulsion notice, the Board may receive and consider evidence of any subsequent disciplinary problems that have led to removal from a classroom, suspension or expulsion of the student. Except as may be specified by the Board in an expulsion hearing decision, the Board delegates the authority to make decisions pertaining to expungement to the Superintendent.

If the student has not previously been suspended or expelled, and the Administration chooses to expunge the expulsion notice from the student's cumulative record prior to graduation, the Administration may refer to the existence of the expunged notice, notwithstanding the fact that such notice may have been expunged from the student's cumulative file, for the limited purpose of determining whether any subsequent suspension or expulsion by the student would constitute the student's first such offense.

XII. Change of Residence During Expulsion Proceedings

A. ***Student moving into the District:***

1. If a student enrolls in the District while an expulsion hearing is pending in another public school district, such student shall not be excluded from school pending completion of the expulsion hearing unless an emergency exists, as defined above. The Board shall retain the authority to suspend the student or to conduct its own

expulsion hearing. The procedures outlined above in Section IX and consistent with the requirements of Conn. Gen. Stat. § 10-233d or Conn. Gen. Stat. § 10-233l, if applicable, as well as the applicable provisions of the Uniform Administrative Procedures Act, Conn. Gen. Stat. §§ 4-176e to 4-180a, and § 4-181a shall be utilized for any hearing conducted under this section.

2. Where a student enrolls in the District during the period of expulsion from another public school district, the Board may adopt the decision of the student expulsion hearing conducted by such other school district. The student shall be excluded from school pending such hearing. The excluded student shall be offered an alternative educational opportunity in accordance with statutory requirements. The Board (or the impartial board) shall make its determination pertaining to expulsion based upon a hearing held by the Board (or the impartial board), which hearing shall be limited to a determination of whether the conduct which was the basis of the previous public school district's expulsion would also warrant expulsion by the Board. The procedures outlined above in Section IX and consistent with the requirements of Conn. Gen. Stat. § 10-233d or Conn. Gen. Stat. § 10-233l, if applicable, as well as the applicable provisions of the Uniform Administrative Procedures Act, Conn. Gen. Stat. §§ 4-176e to 4-180a, and § 4-181a shall be utilized for any hearing conducted under this section.

B. *Student moving out of the District:*

Where a student withdraws from school after having been notified that an expulsion hearing is pending, but before a decision has been rendered by the Board, the notice of the pending expulsion hearing shall be included on the student's cumulative record and the Board shall complete the expulsion hearing and render a decision. If the Board subsequently renders a decision to expel the student, a notice of the expulsion shall be included on the student's cumulative record.

XIII. Procedures Governing Suspension and Expulsion of Students Identified as Eligible for Services under the Individuals with Disabilities Education Act ("IDEA")

A. *Suspension of IDEA students:*

Notwithstanding the foregoing, if a responsible administrator suspends a student identified as eligible for services under the IDEA (an "IDEA student") who has violated any rule or code of conduct of the District that applies to all students, the following procedures shall apply:

1. The responsible administrator shall make reasonable attempts to immediately notify the parents of the student of the decision to suspend on the date on which the decision to suspend was made, and a copy of the special education procedural safeguards must either be hand-delivered or sent by mail to the parents on the date that the decision to suspend was made.
2. During the period of suspension, the District is not required to provide any educational services to the IDEA student beyond that which is provided to all students suspended by the District.

B. *Expulsion and Suspensions that Constitute Changes in Placement for IDEA students:*

Notwithstanding any provision to the contrary, if the Administration recommends for expulsion an IDEA student who has violated any rule or code of conduct of the District that applies to all students, the procedures described in this section shall apply. The procedures described in this section shall also apply for students whom the Administration has suspended in a manner that is considered under the IDEA, as it may be amended from time to time, to be a change in educational placement:

1. Upon the decision by the Administration to recommend expulsion or impose a suspension that would constitute a change in educational placement, the Administration shall promptly notify the parent(s)/guardian(s) of the student of the recommendation of expulsion or the suspension that would constitute a change in educational placement, and provide the parents(s)/guardian(s) a copy of the special education procedural safeguards either by hand-delivery or by mail (unless other means of transmission have been arranged).
2. The District shall immediately convene the student's planning and placement team ("PPT"), but in no case later than ten (10) school days after the recommendation for expulsion or the suspension that constitutes a change in placement was made. The student's PPT shall consider the relationship between the student's disability and the behavior that led to the recommendation for expulsion or the suspension which constitutes a change in placement, in order to determine whether the student's behavior was a manifestation of the student's disability.
3. If the student's PPT finds that the behavior was a manifestation of the student's disability, the Administration shall not proceed with

the recommendation for expulsion or the suspension that constitutes a change in placement.

4. If the student's PPT finds that the behavior was not a manifestation of the student's disability, the Administration may proceed with the recommended expulsion or suspension that constitutes a change in placement.
5. During any period of expulsion, or suspension of greater than ten (10) days per school year, the Administration shall provide the student with an alternative education program in accordance with the provisions of the IDEA.
6. When determining whether to recommend an expulsion or a suspension that constitutes a change in placement the responsible administrator (or designee) should consider the nature of the misconduct and any relevant educational records of the student.

C. *Removal of Special Education Students for Certain Offenses:*

1. A responsible administrator may remove a student eligible for special education under the IDEA to an appropriate interim alternative educational setting for not more than forty-five (45) school days if the student:
 - a. Was in possession of a dangerous weapon, as defined in 18 U.S.C. 930(g)(2), as amended from time to time, on school grounds, on school transportation, or at a school-sponsored activity, or
 - b. Knowingly possessed or used illegal drugs or sold or solicited the sale of a controlled substance while at school, on school transportation, or at a school-sponsored activity; or
 - c. Has inflicted serious bodily injury upon another person while at school, on school premises, on school transportation, or at a school function.
2. The following definitions shall be used for this subsection XIII.C.:
 - a. **Dangerous weapon** means a weapon, device, instrument, material, or substance, animate or inanimate, that is used for, or is readily capable of, causing death or serious bodily

injury, except that such term does not include a pocket knife with a blade of less than 2.5 inches in length.

- b. **Controlled substance** means a drug or other substance identified under schedules I, II, III, IV, or V in section 202(c) of the Controlled Substances Act, 21 U.S.C. 812(c).
- c. **Illegal drug** means a controlled substance but does not include a substance that is legally possessed or used under the supervision of a licensed health-care professional or that is legally possessed or used under any other authority under the Controlled Substances Act or under any other provision of federal law.
- d. **Serious bodily injury** means a bodily injury which involves: (A) a substantial risk of death; (B) extreme physical pain; (C) protracted and obvious disfigurement; or (D) protracted loss or impairment of the function of a bodily member, organ, or mental faculty.

XIV. Procedures Governing Expulsions for Students Identified as Eligible under Section 504

- A. Except as provided in subsection B below, notwithstanding any provision to the contrary, if the Administration recommends for expulsion a student identified as eligible for educational accommodations under Section 504 who has violated any rule or code of conduct of the District that applies to all students, the following procedures shall apply:
 - 1. The parents of the student must be notified of the decision to recommend the student for expulsion.
 - 2. The District shall immediately convene the student's Section 504 team ("504 team") for the purpose of reviewing the relationship between the student's disability and the behavior that led to the recommendation for expulsion. The 504 team will determine whether the student's behavior was a manifestation of the student's disability.
 - 3. If the 504 team finds that the behavior was a manifestation of the student's disability, the Administration shall not proceed with the recommended expulsion.

4. If the 504 team finds that the behavior was not a manifestation of the student's disability, the Administration may proceed with the recommended expulsion.

B. The Board may take disciplinary action for violations pertaining to the use or possession of illegal drugs or alcohol against any student with a disability who currently is engaging in the illegal use of drugs or alcohol to the same extent that such disciplinary action is taken against nondisabled students. Thus, when a student with a disability is recommended for expulsion based solely on the illegal use or possession of drugs or alcohol, the 504 team *shall not be required to meet* to review the relationship between the student's disability and the behavior that led to the recommendation for expulsion.

XV. Procedures Governing Expulsions for Students Placed in a Juvenile Detention Center

A. Any student who commits an expellable offense and is subsequently placed in a juvenile detention center or any other residential placement for such offense may be expelled by the Board in accordance with the provisions of this section. The period of expulsion shall run concurrently with the period of placement in a juvenile detention center or other residential placement.

B. If a student who committed an expellable offense seeks to return to the District after participating in a diversionary program or having been placed in a juvenile detention center or any other residential placement and such student has not been expelled by the Board for such offense under subdivision (A) of this subsection, the Board shall allow such student to return and may not expel the student for additional time for such offense.

XVI. Early Readmission to School

An expelled student may apply for early readmission to school. The Board delegates the authority to make decisions on readmission requests to the Superintendent. Students desiring readmission to school shall direct such readmission requests to the Superintendent. The Superintendent has the discretion to approve or deny such readmission requests, and may condition readmission on specified criteria.

XVII. Dissemination of Policy

The District shall, at the beginning of each school year and at such other times as it may deem appropriate, provide for an effective means of informing all students, parent(s) and/or guardian(s) of this policy.

XVIII. Compliance with Documentation and Reporting Requirements

- A. The District shall include on all disciplinary reports the individual student’s state-assigned student identifier (SASID).
- B. The District shall report all suspensions and expulsions to the State Department of Education.
- C. If the Board expels a student for sale or distribution of a controlled substance, as defined in Conn. Gen. Stat. § 21a-240(9), whose manufacture, distribution, sale, prescription, dispensing, transporting or possessing with the intent to sell or dispense, offering, or administration is the subject to criminal penalties under Conn. Gen. Stat. §§ 21a-277 and 21a-278, the District shall refer such student to an appropriate state or local agency for rehabilitation, intervention or job training and inform the agency of its action.
- D. If the Board expels a student for possession of a firearm, as defined in 18 U.S.C. § 921, or deadly weapon, dangerous instrument or martial arts weapon, as defined in Conn. Gen. Stat. § 53a-3, the District shall report the violation to the local police.
